November 23, 2016

To the President and Board of Trustees, the Citizens of  
the Village of Mundelein, and all interested parties:

The Comprehensive Annual Financial Report (CAFR) of the Village of Mundelein, Illinois for the fiscal year ended April 30, 2016 is hereby submitted. The purpose of this report is to provide citizens, investors, grantor agencies and any interested parties with reliable financial information about the Village. The report has been prepared in accordance with generally accepting accounting principles (GAAP) and with standards prescribed by the Governmental Accounting Standards Board (GASB) and the Government Finance Officers Association of the United States and Canada. Responsibility for the accuracy of the data, and the completeness and fairness of the presentation, including disclosures, rests with the Village of Mundelein. The Village believes the report, and data contained herein, to be accurate in all material respects and that it gives an accurate representation of the financial position and results of the Village as of, and for the year ended, April 30, 2016. All disclosures regarding the Village's financial position necessary to enable the reader to understand the Village's financial activities have been included.

Management of the Village is responsible for establishing and maintaining a system of internal accounting controls. These controls are designed to assure that the assets of the Village are safeguarded against any material loss, theft or misuse. These controls assure that the financial statements are in conformity with generally accepted accounting principles. Internal account controls are designed to provide reasonable, but not absolute, assurances that control objectives will be met. The concept of reasonable assurances recognizes that (1) the cost of control should not exceed the benefits likely to be derived; and (2) the evaluation of costs and benefits requires estimates and judgment by management.

The Village of Mundelein's management discussion and analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview, and analysis of the basic financial statements. MD&A complements this letter of transmittal and should be read in conjunction with it.

For financial reporting purposes, this report includes all the funds of the Village of Mundelein. The Village reports Police and Firefighters' Pension funds as blended component units. Component units are legally separate entities for which the Village is financially accountable. Other governmental entities, which are located within the Village's boundaries, are not included because they do not meet the criteria for inclusion as set forth by generally accepted accounting principles.

## **Economic Outlook**

The economic condition of the Village is gradually improving.

A second Jewel-Osco store in the Village will open in November 2016. A Panera Bread restaurant will be opening early in 2017.

The Village worked with Weston Inc. to develop a site for the company's regional headquarters and a new Village Hall in downtown Mundelein. Construction of the new infrastructure and Village Hall began in fiscal 2013 with completion in June 2014. A new 65-unit apartment building in downtown was completed in the summer of 2015. Another residential 40-unit multi-family building will be completed in the downtown in 2016. A new subdivision of 77 single-family homes are being built on the Village's southwest side. A 36-unit apartment building was completed in 2016 on Diamond Lake.

## **Major Initiatives**

In the summer of 2011, the Village adopted a Comprehensive Plan giving the Village Board and planning staff a blueprint to guide future growth and development in both the private and public sectors. Also, a new Zoning Ordinance was adopted in September 2012, a complete overhaul of the current ordinance.

The Village has continued its investment in the public infrastructure. Over \$7 million in local road repairs and related improvements to the water, sanitary and storm sewer systems in the adjacent rights-of-way were spent in 2016.

During 2016, the Village was ranked as the 38<sup>th</sup> safest community in the country by *NeighborhoodScout* for municipalities with a population of 25,000 or more, based on total number of crimes per 1,000 residents.

## **Long Term Financial Planning**

The Village Board approves a Capital Improvement Plan in conjunction with the annual adoption of the fiscal budget, which includes the projects anticipated during the next 5-year period. Projects are broken out into the following categories and include both funding sources and uses: Street Improvements, Transportation Improvements, Stormwater Improvements, Water System Improvements, Sanitary Sewer System Improvements, Operations Improvements, Vehicle and Equipment Replacement and Other. There is a total of \$63 million of projects included for the 5-year period with funding sources known of about \$42 million. The Long Term Planning process begins with the annual Board planning session each fall and works through the budget process each spring.

## Other Information

Independent Audit. State statute requires an annual audit by independent certified public accountants. The firm of BKD LLP was selected by the Village to conduct the 2016 fiscal year audit. The Village did not have grants in sufficient amounts to require compliance with Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. The auditors' opinion is included in the financial section of the report.

Award. The Government Finance Officers Association (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting for fiscal year ended April 30, 2015. This was the twentieth year that the Village has made application for, and received, this prestigious award.

In order to be awarded a Certificate of Achievement, the Village published an easily readable, and efficiently organized comprehensive annual financial report. This report satisfied both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

Acknowledgements. The preparation of the comprehensive annual financial report on a timely basis was made possible by the dedicated service of the entire staff of the finance department. Each member of the department has our sincere appreciation for the contributions made in the preparation of this report.

In closing, credit must be given to the President and Board of Trustees for their unfailing support for maintaining the highest standards of professionalism in the management of the Village of Mundelein's Finances.

Sincerely,

*John A. Lobaito*  
Village Administrator

## Independent Auditor's Report

The Honorable Mayor  
Members of the Board of Trustees  
Village of Mundelein, Illinois  
Mundelein, Illinois

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Village of Mundelein, Illinois, as of and for the year ended April 30, 2016, and the related notes to the financial statements which collectively comprise the Village's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Village of Mundelein, Illinois, as of April 30, 2016, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Emphasis of Matter**

As disclosed in Note 1 to the financial statements, in 2016 the Village adopted new accounting guidance required by Governmental Accounting Standards Board Statement No. 68, *Accounting and Financial Reporting for Pensions – an amendment of GASB Statement No. 27*, and Governmental Accounting Standards Board Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date – an amendment of GASB Statement No. 68*. Our opinions are not modified with respect to these matters.

## **Other Matters**

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary, pension and other postemployment benefit information on pages 4-13 and 69-78 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### *Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Village of Mundelein, Illinois' basic financial statements. The introductory section, combining and individual fund financial statements and schedules, and statistical section listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Honorable Mayor  
Members of the Board of Trustees  
Village of Mundelein, Illinois  
Page 3

The combining and individual fund statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion the combining and individual fund statements and schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections listed in the table of contents have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

*BKD, LLP*

Oakbrook Terrace, Illinois  
November 23, 2016

**VILLAGE OF MUNDELEIN, ILLINOIS**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
**April 30, 2016**

The Village of Mundelein (the "Village") discussion and analysis is designed to (1) assist the reader in focusing on significant financial issues, (2) provide an overview of the Village's financial activity, (3) identify changes in the Village's financial position (its ability to address the next and subsequent year challenges), (4) identify any material deviations from the financial plan (the appropriation), and (5) identify individual fund issues or concerns as it refers to the governmental activities' net position.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with the Transmittal Letter and the Village's financial statements.

**Financial Highlights**

- \* The Village's net position (see table 1) decreased by \$39.1 million during the fiscal year ending April 30, 2016 (FYE16). The governmental net position decreased by \$37.6 million from FYE15 and the business-type activities net position decreased by \$1.5 million from FYE15. These decreases are primarily the result of the Village's implementation of GASB 68.
- \* The governmental activities revenues increased by \$1.9 million and expenses increased by \$4.4 million.
- \* The business-type activities revenues increased by \$0.7 million and expenses decreased by \$0.2 million.
- \* The total expenses of all Village programs increased by \$4.2 million.

**USING THE FINANCIAL SECTION OF THIS COMPREHENSIVE ANNUAL REPORT**

The financial statement's focus is on both the Village as a whole (government-wide) and on the major individual funds. Both perspectives (government-wide and major fund) allow the user to address relevant questions, broaden a basis for comparison (year to year or government to government) and enhance the Village's accountability.

**Government-Wide Financial Statements**

The government-wide financial statements (see pages 14-16) are designed to be corporate like in that all governmental and business-type activities are consolidated into columns, which add to a total for the Primary Government. The focus of the Statement of Net Position (the "Unrestricted Net Position") is designed to be similar to bottom line results for the Village and its governmental and business-type activities. This statement combines and consolidates governmental fund's current financial resources (short-term spendable resources) with capital assets and long term obligations using the accrual basis of accounting and economic resources measurement focus.

The Statement of Activities (see page 16) is focused on both the gross and net cost of various activities (including governmental, business-type), which are supported by the government's general taxes and other resources. This is intended to summarize and simplify the user's analysis of the cost of various governmental services and/or subsidy to various business-type activities.

The Governmental Activities reflect the Village's basic services, including police, fire, public works, engineering, community development, and administration. Shared state sales, local sales and shared state income taxes finance the majority of these services. The Business-type Activities reflect private sector type operations (Water and Wastewater), where the fee for service typically covers all or most of the cost of operation, including depreciation.

## **VILLAGE OF MUNDELEIN, ILLINOIS MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)**

### **Fund Financial Statements**

Traditional users of governmental financial statements will find the Fund Financial Statements presentation more familiar. The focus is on Major Funds, rather than (the previous model's) fund types.

The Governmental Major Fund (see pages 17-20) presentation is presented on a sources and uses of liquid resources basis. This is the manner in which the financial plan (the appropriation) is typically developed. The flow and availability of liquid resources is a clear and appropriate focus of any analysis of a government. Funds are established for various purposes and the Fund Financial Statements allow the demonstration of sources and uses and/or appropriation compliance associated therewith.

The Fund Financial Statements also allow the government to address its Fiduciary Fund (Police and Firefighter's Pensions, see pages 25-26). While this Fund represents trust responsibilities of the government, these assets are restricted in purpose and do not represent discretionary assets of the government. Therefore, these assets are not presented as part of the Government-Wide Financial Statements.

While the Total column on the Business-type Fund Financial Statements (see pages 21-24) is the same as the Business-type column at the Government-Wide Financial Statement, the Governmental Major Funds Total column requires a reconciliation because of the different measurement focus (current financial resources versus total economic resources) which is reflected on the page following each statement (see pages 18 and 20). The flow of current financial resources will reflect bond proceeds and interfund transfers as other financial sources as well as capital expenditures and bond principal payments as expenditures. The reconciliation will eliminate these transactions and incorporate the capital assets and long-term obligation (bonds and others) into the Governmental Activities column (in the Government-wide statements).

### **Infrastructure Assets**

Historically, a government's largest group of assets (infrastructure - roads, bridges, storm sewers, etc.) had not been reported nor depreciated in governmental financial statements. GASB 34 requires that these assets be valued and reported within the Governmental column of the Government-wide Statements. Additionally, the government must elect to either (1) depreciate these assets over their estimated useful life or (2) develop a system of asset management designed to maintain the service delivery potential to near perpetuity. If the government develops the asset management system (the modified approach), which periodically (at least every third year), by category, measures and demonstrates its maintenance of locally established levels of service standards, the government may record its cost of maintenance in lieu of depreciation. The Village has chosen to depreciate assets over their useful life. If a road project is considered maintenance - a recurring cost that does not extend the road's original useful life or expand its capacity - the cost of the project will be expensed. An "overlay" of a road will be considered maintenance whereas a "rebuild" of a road will be capitalized.

### **Financial Analysis of the Village as a Whole**

In accordance with GASB Statement No. 34, the Village has presented a comparative analysis of Government-wide information.

**VILLAGE OF MUNDELEIN, ILLINOIS  
MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)**

**GOVERNMENT-WIDE STATEMENT**

**Statement of Net Position**

The Village's combined net position decreased by about \$39.1 million from FYE15. The following analysis will look at net position and net expenses of the governmental and business-type activities separately. The total net position for the governmental activities decreased \$37.6 million from \$118.4 to \$80.8 million. The total net position for business-type activities decreased to \$37.6 million.

Table 1 reflects the condensed Statement of Net Position compared to FYE15. Table 2 will focus on the changes in net position of the governmental and business-type activities.

**Table 1  
Statement of Net Position  
As of April 30, 2016  
(In millions)**

	Governmental Activities		Business-Type Activities		Total Primary Government	
	2015*	2016	2015*	2016	2015*	2016
Current assets	42.6	37.1	7.7	5.6	50.3	42.7
Noncurrent assets	<u>113.0</u>	<u>115.2</u>	<u>33.9</u>	<u>35.0</u>	<u>146.9</u>	<u>150.2</u>
<b>Total assets</b>	155.6	152.3	41.6	40.6	197.2	192.9
Deferred outflows	0.2	18.5	0.0	0.5	0.2	19.0
Current liabilities	4.9	9.3	1.5	1.4	6.4	10.7
Long-term liabilities	<u>14.9</u>	<u>66.9</u>	<u>0.9</u>	<u>2.1</u>	<u>15.8</u>	<u>69.0</u>
<b>Total liabilities</b>	19.8	76.2	2.4	3.5	22.2	79.7
Deferred inflows	17.6	13.8	0.0	0.1	17.6	13.9
<b>Net position</b>						
Net investment in capital assets	97.2	101.2	32.7	34.2	129.9	135.3
Restricted	6.1	5.3	4.4	3.0	10.5	8.3
Unrestricted	<u>15.1</u>	<u>-25.7</u>	<u>2.0</u>	<u>0.4</u>	<u>17.1</u>	<u>-25.3</u>
<b>Total net position</b>	118.4	80.8	39.1	37.6	157.5	118.4

\* The Village implemented GASB 68 in fiscal year 2016. Fiscal year 2015 balances included in this comparison do not include a restatement for GASB 68.

For more detailed information see the Statement of Net Position (page 14 -15).

**Normal Impacts**

There are six basic (normal) transactions that will affect the comparability of the Statement of Net Position summary presentation.

**Net Results of Activities** - which will impact (increase/decrease) current assets and unrestricted net position.

**Borrowing for Capital** - which will increase current assets and long-term debt.

**Spending Borrowed Proceeds on New Capital** - which will reduce current assets and increase capital assets. There is

**VILLAGE OF MUNDELEIN, ILLINOIS  
MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)**

a second impact, an increase in invested in capital assets and an increase in related net debt which will not change the investment in capital assets.

**Spending of Non-borrowed Current Assets on New Capital** which will (a) reduce current assets and increase capital assets and (b) will reduce unrestricted net position and increase investment in capital assets.

**Principal Payment on Debt** - which will (a) reduce current assets and reduce long-term debt and (b) reduce unrestricted net position and increase investment in capital assets.

**Reduction of Capital Assets through Depreciation** which will reduce capital assets and investment in capital assets.

**Current Year Impacts**

The Village's \$39.1 million decrease in combined net position (which is the Village's bottom line) was the result of governmental activities net position decreasing by \$37.6 million. The governmental activities total assets and deferred outflows increased by \$15.0 million and the governmental activities total liabilities and deferred inflows increased by \$52.5 million. The change in total assets was the result of a decrease of \$5.5 million in current and other assets and a \$2.2 million increase in capital assets.

The business-type total assets decreased by \$1.0 million and the business-type activities total liabilities remained the same. Total assets changed as a result of significant capital improvements to the infrastructure of the water/sewer system. Restricted net position for business-type activities can only be used to finance additions to, expansion of, or replacement of capital assets.

**VILLAGE OF MUNDELEIN, ILLINOIS  
MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)**

The following chart shows the revenue and expenses of the governmental activities.

**Table 2  
Changes in Net Position  
For the Fiscal Year Ended April 30, 2016  
(in millions)**

\* The Village implemented GASB 68 in fiscal year 2016. Fiscal year 2015 amounts do not include a restatement for GASB 68.

**VILLAGE OF MUNDELEIN, ILLINOIS  
MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)**

**Normal Impacts**

There are eight basic impacts on revenues and expenses as reflected below.

**Revenues:**

**Economic Condition** which can reflect a declining, stable or growing economic environment and has a substantial impact on state income, sales and home-rule sales tax revenue as well as public spending habits for building permits, elective user fees and volumes of consumption.

**Increase/Decrease in Village approved rates** - while certain tax rates are set by statute, the Village Board has significant authority to impose and periodically increase/decrease rates (water, wastewater, impact fee, building fees, home rule sales tax, etc.)

**Changing Patterns in Intergovernmental and Grant Revenue (both recurring and nonrecurring)** - certain recurring revenues (state shared revenues, etc.) may experience significant changes periodically while non-recurring (or one-time) grants are less predictable and often distorting in their impact on year to year comparisons.

**Market Impacts on Investment income** - the Village's investment portfolio is managed using a longer average maturity than most governments and the market condition may cause investment income to fluctuate more than alternative shorter-term options.

**Expenses:**

**Introduction of New Programs** - within the functional expenditure categories (Public Safety, Public Works, General Government, etc.) individual programs may be added or deleted to meet changing community needs.

**Increase in Authorized Personnel** - changes in service demand may cause the Village Board to increase/decrease authorized staffing. Staffing costs (salary and related benefits) represent significant portions of the Village's operating cost.

**Salary Increases (annual adjustments and merit)** - the ability to attract and retain human and intellectual resources requires the Village to strive to approach a competitive salary range position in the marketplace.

**Inflation** while overall inflation appears to be reasonably modest; the Village is a major consumer of certain commodities such as supplies, fuels and parts. Some functions may experience unusual commodity specific increases.

**Current Year Impacts**

***Governmental Activities***

**Revenue:**

Total revenues increased \$1.9 million from \$32.4 million to \$34.3 million due to higher sales and income taxes

The governmental activities general revenue includes property taxes, and other taxes (sales tax, home-rule sales tax, hotel-motel tax, and state shared income tax). The Equalized Assessed Value (EAV) increased 3% to \$754,877,076.

**VILLAGE OF MUNDELEIN, ILLINOIS  
MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)**

**Expenses:**

The Village's Governmental Activities total expenses increased by \$4.4 million from \$33.9 to \$38.3 million due to expenses related to the implementation of GASB Statement No.68.

***Business-type Activities***

**Revenues:**

Total Business-type Activity revenues increased from \$8.1 to \$8.8 million due to a rate increase.

**Expenses:**

Total Business-type activity expenses decreased to \$9.3 million.

**FINANCIAL ANALYSIS OF THE VILLAGE'S FUNDS**

**Governmental Funds**

For the fiscal year ended April 30, 2016, the governmental funds reflect a combined fund balance of \$17.9 million, which is a decrease of \$4.7 million. The fund balance of the general fund decreased slightly from \$14.0 million to \$13.8 million.

**General Fund Budgetary Highlights**

The Village of Mundelein falls under the provisions of 65 ILCS 5/8-2-9 of the Illinois Statutes regarding annual appropriations for municipalities of less than 500,000 inhabitants. The appropriation ordinance is the corporate authority's authorization to expend sums of money deemed necessary to defray all necessary expenses and liabilities of the municipality and is approved by the Village Board annually. As such, the figures presented in this report are Village appropriations but for reporting purposes are titled budget. The appropriation ordinance is derived from and expands upon an annual operating budget approved by the Village Board. The annual operating budget is the internal document used by the Village to control day to day expenses of the Village and to plan for long-range capital infrastructure improvements. The annual operating budget plus funds on-hand are included in the appropriation totals. This Ordinance was primarily for the purpose of transferring appropriation amounts within a fund.

**VILLAGE OF MUNDELEIN, ILLINOIS  
MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)**

**General Fund Budget Highlights**

General Fund	Original Budget	FY 2016 (in Millions)	
		Amended Budget	Actual
Revenues and Transfers			
Taxes	\$13.4	\$13.4	\$13.4
Other	11.6	11.6	13.0
Transfers	<u>0.0</u>	<u>0.0</u>	<u>0.0</u>
<b>Total</b>	\$25.0	\$25.0	\$26.4
Expenditures and Transfers			
Expenditures	23.8	23.8	25.4
Transfers	<u>1.2</u>	<u>1.2</u>	<u>1.3</u>
<b>Total</b>	\$25.0	\$25.0	\$26.7
Change in Fund Balance	<u>\$0</u>	<u>\$0</u>	<u>\$(0.3)</u>

The General Fund actual revenues were \$1.4 million more than the original budget. The Taxes category of revenues was \$0.0 million more than the original budget while the Other category of revenues was \$1.4 million more than the original budget. Increases in state income taxes and local use taxes accounted for the majority of the difference. Additionally fees, charges for services, and permits were higher than expected.

The General Fund actual expenditures and transfers were \$1.7 million higher than the budget. Higher than expected revenues led to increased spending for expanded services.

**VILLAGE OF MUNDELEIN, ILLINOIS  
MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)**

**Capital Assets**

At the end of FYE16, the Village had invested \$150.2 million net of depreciation in a variety of capital assets and infrastructure, as reflected in the following schedule. See Notes to Financial Statement #5 for further detail.

## **VILLAGE OF MUNDELEIN, ILLINOIS MANAGEMENT'S DISCUSSION AND ANALYSIS (Continued)**

### **Debt Outstanding**

In 1998, the Village issued General Obligation Bonds as the first in a planned three issues to fund the construction of a new fire station, new fire station headquarters and a new police station. In 1999, the Village issued General Obligation Bonds, the second and last issue, relating to the new public safety facilities. The Village authorized the refunding of the 1998 series bonds and the advanced refunding of the 1999 series bonds, which settled during FYE 2011. The 2010B General Obligation Bond issues has an outstanding balance of \$4.5 million. In December 2013, the Village issued \$3.2 million in General Obligation Refunding Bonds, Series 2013. The 2013 Bonds partially refunded the 2005 Series Bonds. The Village of Mundelein's Moody's rating increased from AA2 to AA1 with the refunding and advanced refunding issues. The Village currently owes \$7.2 million on these two bonds.

In 1998, the Village received an Illinois Environmental Protection Agency \$5.3 million loan under their revolving loan program. As of April 30, 2016 the Village owes \$0.8 million in principal. Since the loan was issued for the acquisition of capital assets for the wastewater system, it is reported as a business-type activity.

In July 2010 the Village issued \$7.1 million in Taxable General Obligation Bonds, Series 2010A. The proceeds of which were used to acquire land in the Tax Increment Financing district. As of April 30, 2016, the Village owes \$6.8 million in principal.

The Village, under its home rule authority, does not have a legal debt limit. For additional information, refer to Note #6.

### **Economic Factors**

In January 2005, the Village Board created a 99-acre Tax Increment Financing District (TIF) and authorized Tax Increment Financing for the core downtown area surrounding the commuter rail station.

The national unemployment rate-seasonally adjusted for April 2016 was 5.0%. As of April 2016, the Bureau of Labor Statistics show the unemployment rate in Illinois at 6.6%, while the unemployment rate for April 2016 for the Lake County Area was at 5.4%.

### **CONTACTING THE VILLAGE'S FINANCIAL MANAGEMENT**

This financial report is designed to provide our citizens, customers, investors and creditors with a general overview of the Village's finances and to demonstrate the Village's accountability for the money it receives. Questions concerning this report or requests for additional financial information should be directed to Doug Haywood, Finance Director, Village of Mundelein, 300 Plaza Circle, Mundelein, Illinois 60060.

**Reconciliation of the Balance Sheet of the Governmental Funds**  
**to the Statement of Net Position**  
**April 30, 2016**

---

Total fund balances-governmental funds	\$	17,858,151
Amounts reported for governmental activities in the Statement of Net Position are different because:		
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds.		115,208,720
The loss on refunding is recognized as incurred in the governmental funds, but is amortized over the life of the new debt in the Statement of Net Position.		159,326
Other long-term assets are not available to pay for current period expenditures and, therefore, are deferred in the funds.		13,692
Deferred outflows for pensions less deferred inflows for pensions		17,285,379
Some liabilities, including bonds and notes payable, are not due and payable in the current period and, therefore, are not reported in the funds.		
Accrued interest payable		(215,002)
Net other postemployment obligation		(111,052)
Net pension liability		(53,748,723)
General obligation bonds payable		(13,925,000)
Unamortized Premium on General Obligation Bonds Payable		(239,087)
Compensated absences		(1,475,136)
Net position of governmental activities	\$	<u>80,811,278</u>

**Village of Mundelein, Illinois**  
**Reconciliation of the Statement of Revenues, Expenditures, and Changes**  
**in Fund Balances of Governmental Funds to the Statement of Activities**  
**Year Ended April 30, 2016**

Net change in fund balances-total governmental funds \$ (4,652,823)

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report capital outlays as expenditures while governmental activities report depreciation expense to allocate those expenditures over the lives of the assets.

Capital Outlay	5,221,346
Depreciation	(2,875,017)
Loss on Disposal	(138,721)

The issuance of long-term debt provides current financial resources, while the repayment of debt consumes the current financial resources of governmental funds. Also, governmental funds report the effect of premiums and similar items when the debt is first issued, whereas these amounts are deferred and amortized in the Statement of Activities.

Principal retirement	1,745,000
Amortization of premium	40,705
Amortization of deferred amount on refunding	(21,942)

Revenue in the Statement of Activities not providing current financial resources are not reported as revenues in the fund. (9,834)

Some expenses reported in the Statement of Activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds. These activities consist of:

Increase in net pension liability	(20,298,231)
Increase in deferred outflows - pensions	18,066,800
Increase in deferred inflows - pensions	(1,035,581)
Decrease in other post-employment obligation	6,888
Decrease in accrued interest payable	16,706
Increase in compensated absences	(60,544)

Change in net position of governmental activities	<u>\$ (3,995,248)</u>

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 1. Summary of Significant Accounting Policies**

The Village of Mundelein, Illinois (Village) was incorporated under a charter granted by the Illinois State Legislature in 1909. The Village is a home rule municipality which operates under the management form of municipal government as provided in Chapter 65, Article 5 of the Illinois Compiled Statutes. The Village provides many services to residents including police and fire protection, water and sewer service, planning and zoning and general administrative services.

The accounting policies of the Village of Mundelein, Illinois conform to accounting principles generally accepted in the United States of America as applicable to governments. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The following is a summary of the more significant accounting policies:

**(a) Financial Reporting Entity**

As defined by generally accepted accounting principles established by the Governmental Accounting Standards Board (GASB), the financial reporting entity consists of the primary government, as well as component units, which are legally separate organizations for which elected officials of the primary government are financially accountable. Financial accountability is defined as:

- (1) Appointment of a voting majority of the component unit's board, and either a) the ability to impose will by the primary government, or b) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government; or
- (2) Fiscal dependency on the primary government.

The Village's sworn police employees participate in the Police Pension Employees Retirement System (PPERS) (Police Pension Plan). PPERS functions for the benefit of these employees and is governed by a five-member pension board. Two members appointed by the Mayor, one elected pension beneficiary, and two elected active police employees constitute the pension board. The participants are required to contribute a percentage of salary as established by state statute and the Village is obligated to fund all remaining PPERS costs based upon actuarial valuations. The State of Illinois is authorized to establish benefit levels and the Village is authorized to approve the actuarial assumptions used in the determination of the Village's contribution levels. Although it is legally separate from the Village, the PPERS is reported as if it were part of the primary government because its sole purpose is to provide retirement benefits for the Village's police employees. The PPERS is reported as a blended component unit (pension trust fund) and does not issue a separate financial report.

The Village's sworn full-time firefighters participate in the Firefighters' Pension Employees Retirement System (FPERS) (Firefighters' Pension Plan). FPERS functions for the benefit of these employees and is governed by a five-member pension board. Two members appointed by the Mayor, one elected pension beneficiary, and two elected active firefighters constitute the pension board. The participants are required to contribute a percentage of salary as established by state statute and the Village is obligated to fund all remaining FPERS costs based upon actuarial valuations. The State of Illinois is authorized to establish benefit levels and the Village is authorized to approve the actuarial assumptions used in the determination of the Village's contribution levels. Although it is legally separate from the Village, the FPERS is reported as if it were part of the primary government because its sole purpose is to provide retirement benefits for the Village's sworn full-time firefighters. The FPERS is reported as a blended component unit (pension trust fund) and does not issue a separate financial report.

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 1. Summary of Significant Accounting Policies (Continued)**

**(b) Government-wide and Fund Financial Statements**

**Government-wide Financial Statements:** The government-wide Statement of Net Position and Statement of Activities report the overall financial activity of the Village. Eliminations have generally been made to minimize the double-counting of internal activities of the Village; however, interfund services provided and used are not eliminated in the process of consolidation. The financial activities of the Village consist of governmental activities, which are primarily supported by taxes and intergovernmental revenues, and business-type activities, which rely to a significant extent on fees and charges for services.

The Statement of Net Position presents the Village's non-fiduciary assets and liabilities with the difference reported in three categories:

**Net investment in capital assets** consists of capital assets, net of accumulated depreciation and reduced by outstanding balances for bonds and other debt that are attributable to the acquisition, construction, or improvement of those assets.

**Restricted net position** results when constraints placed on net position use are either externally imposed by creditors, grantors, contributors, and the like, or imposed by law through constitutional provisions or enabling legislation.

**Unrestricted net position** consists of net position that does not meet the criteria of the two preceding categories.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function (i.e. general government, public safety, etc.) are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include (a) charges paid by the recipients of goods or services offered by the programs (including fines and fees), and (b) grants and contributions that are restricted to meeting the operational requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

Fiduciary funds are excluded from the government-wide financial statements.

**Fund Financial Statements:** Separate financial statements are provided for governmental funds, proprietary funds and fiduciary (pension trust and agency) funds, even though the latter are excluded from the government-wide financial statements. The fund financial statements provide information about the Village's funds. The emphasis of fund financial statements is on major governmental funds, each displayed in a separate column. The Village has the following major governmental funds – the General Fund and the Capital Projects Fund. All remaining governmental funds are aggregated and reported as nonmajor governmental funds. The Village has one major enterprise fund – Waterworks and Sewerage Fund.

The Village administers the following major governmental funds:

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 1. Summary of Significant Accounting Policies (Continued)**

**(b) Government-wide and Fund Financial Statements (continued)**

**General Fund** – This is the Village’s primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. The services which are administered by the Village and accounted for in the general fund include general government, public safety and public works.

**Capital Projects Fund** – This capital projects fund accounts for revenues derived from a state grant for the purpose of meeting the costs of various Village expenditures near one intersection.

The Village administers the following major proprietary fund:

**Waterworks and Sewerage Fund** – This fund accounts for the provision of water and sewer services to the residents of the Village. All activities necessary to provide such services are accounted for in this fund, including but not limited to, administration, operations, maintenance, financing and related debt service and billing and collection.

Additionally, the Village administers fiduciary (pension trust and agency) funds for assets held by the Village in a fiduciary capacity on behalf of certain public safety employees and developers. The Village reports two pension trust funds, the Police Pension Fund and Firefighters Pension Fund, which account for resources accumulated for retirement annuities for sworn police officers and uniformed fire department personnel. The Village reports the following agency funds; the Special Assessments Fund, the Deposits Fund and the Reimbursement Escrow Fund. These funds hold various monies collected by the Village from property owners and developers.

**(c) Measurement Focus and Basis of Accounting and Financial Statement Presentation**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund financial statements. Agency funds use the accrual basis of accounting but do not have a measurement focus. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flow takes place. Nonexchange transactions, in which the Village gives (or receives) value without directly receiving (or giving) equal value in exchange, include various taxes, State shared revenues and various State, Federal and local grants. On an accrual basis, revenues from taxes are recognized when the Village has a legal claim to the resources. Grants, entitlements, State shared revenues and similar items are recognized in the fiscal year in which all eligibility requirements imposed by the provider have been met.

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Village considers revenues to be available if they are collected within 90 days of the end of the current fiscal year (60 days for property taxes).

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 1. Summary of Significant Accounting Policies (Continued)**

**(c) Measurement Focus and Basis of Accounting and Financial Statement Presentation (continued)**

Significant revenue sources which are susceptible to accrual include property taxes, other taxes, grants, charges for services, and interest. All other revenue sources are considered to be measurable and available only when cash is received.

Expenditures generally are recorded when the liability is incurred, as under accrual accounting. However, compensated absences are recorded as a liability in governmental funds only when payment is due (upon employee retirement or termination). General capital asset acquisitions are reported as expenditures in governmental funds.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with the proprietary fund's principal ongoing operations.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first, then unrestricted resources as they are needed.

**(d) Cash and Cash Equivalents**

For purposes of the Statement of Cash Flows, the Village's proprietary fund types consider as cash equivalents all highly liquid investments with an original maturity of three months or less when purchased.

**(e) Investments**

Investments are reported at fair value. Fair value is based on quoted market prices.

**(f) Inventory and Prepaid Items**

Inventories are accounted for at cost, using the last-in, first-out method. Inventories are accounted for under the consumption method, whereby acquisitions are recorded in inventory accounts initially and charged as expenditures when used.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items. Prepaids are accounted for on the consumption method.

**(g) Capital Assets**

Capital assets which include land, streets and bridges, buildings, storm sewers, sanitary sewers, water mains and vehicles are reported in the applicable governmental or business-type activities columns in the government-wide and proprietary fund financial statements. Capital assets are defined as assets with an initial, individual cost of more than \$10,000, and an estimated useful life of greater than one year. Additions or improvements that significantly extend the useful life of an asset, or that significantly increase the capacity of an asset, are capitalized. Expenditures for asset acquisitions and improvements are stated as capital outlay expenditures in the governmental funds.

Interest incurred during the construction phase of capital assets is reflected in the capitalized value of the asset constructed, net of interest earned on the invested proceeds over the same period.

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 1. Summary of Significant Accounting Policies (Continued)**

**(g) Capital Assets (continued)**

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend the assets' lives are not capitalized.

Depreciation of capital assets is recorded in the Statement of Activities with accumulated depreciation recorded in the government-wide and proprietary fund financial statements and is provided on the straight-line basis over the following estimated useful lives:

	<u>Years</u>
Buildings	50
Improvements other than buildings	20
Machinery and equipment	5
Vehicles	5-15
Streets, curbs and gutters	30
Sidewalks	50
Storm and sanitary sewers and water mains	75
Traffic signals	20

Gains or losses from sales or retirements of capital assets are included in the Statement of Activities.

**(h) Deferred Inflows/Outflows of Resources**

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/ expenditure) until then. The Village has two items that qualify for reporting in this category, deferred outflows related to pensions and unamortized loss on refunding. Deferred outflows related to pensions represent pension items that will be recognized as pension expense or reductions in the net pension liability in future periods. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Village has two types of items that qualify for reporting in this category. They are inflows related to pensions and property taxes. Deferred inflows related to pensions represent pension items that will be recognized as reductions in pension expense in future periods. Deferred property taxes were levied in 2015 but will be used in Fiscal 2016-2017. Additionally, the balance sheet – governmental funds reports deferred inflows of resources for unavailable revenue.

	<u>Deferred Outflows</u>	<u>Deferred Inflows</u>
Deferred property taxes	\$0	\$12,741,943
Deferred pensions	18,843,497	1,152,022
Unamortized loss on refunding	159,326	0
	<u>\$19,002,823</u>	<u>\$13,893,965</u>

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 1. Summary of Significant Accounting Policies (Continued)**

**(i) Compensated Absences**

It is the Village's policy to permit employees to accumulate earned but unused vacation and sick pay benefits upon employee retirement or termination. No governmental fund liability is recorded for unpaid accumulated sick leave other than the portion of accumulating sick leave benefits that is estimated will be taken as "terminal leave" at retirement. Vacation pay time is provided to employees each January 1<sup>st</sup> that must be used within the subsequent 15 months. Failure to use vacation time within the stipulated period results in the employee forfeiting the unused portion of the vacation. A liability is reported in governmental funds only if they have matured, for example, as a result of employee resignations and retirements. The General and Waterworks and Sewerage Funds are typically used to liquidate these liabilities.

**(j) Long-Term Obligations**

In the government-wide financial statements and proprietary fund financial statements, long-term debt and other long-term obligations, including compensated absences, are reported as liabilities in the applicable governmental or business-type activities and proprietary fund Statement of Net Position. Bond premiums and discounts, as well as amounts from debt refunding transactions, are deferred and amortized over the life of the bonds using the effective interest method.

In the fund financial statements, governmental funds recognize bond premiums and discounts, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures in the period incurred.

Debt service funds are specifically established to account for and service the long-term obligations for the governmental funds debt. Enterprise funds individually account for and service the applicable debt that benefits those funds. Long-term debt is recognized as a liability in a governmental fund when due, or when resources have been accumulated for payment early in the following year.

**(k) Fund Equity**

In the governmental fund financial statements, governmental funds report nonspendable fund balance for amounts that cannot be spent because they are either:

- a. not in spendable form; or
- b. legally or contractually required to be maintained intact.

Restricted fund balance is reported when constraints placed on the use of resources are either:

- a. externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or
- b. imposed by law through constitutional provisions or enabling legislation.

Committed fund balance is reported for amounts that are constrained to a specific purpose by a government itself, using its highest level of decision-making authority; for the Village, that can be

**Note 1. Summary of Significant Accounting Policies (Continued)**

**(k) Fund Equity (continued)**

adoption of a resolution prior to the end of the year. Once adopted, the limitation remains in place until a similar action is taken (adoption of another resolution) to remove or revise the limitation.

Assigned fund balances are amounts included in the Village's Capital Improvement Plan approved by the Village Board.

Unassigned fund balance is the residual classification for the General Fund or any other fund with a negative fund balance.

When committed, assigned, and unassigned amounts are available for use, it is the Village's policy to use committed resources first, then assigned resources, then unassigned resources as they are needed.

**(l) Capital Contributions**

Capital contributions (if any) reported in the governmental and proprietary funds represent capital assets donated from outside parties, principally developers, and transfers of capital assets from governmental funds to the Waterworks and Sewerage Fund. Expansion fees are recognized as capital contributions in the proprietary fund statements.

**(m) Accounting Estimates**

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities, and deferred inflows of resources and disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenditures/expenses during the period. Actual results could differ from these estimates.

**(n) Interfund Transactions**

The Village has the following types of transactions between funds:

**Loans and advances** – amounts provided with a requirement for repayment. Interfund loans are reported as due from other funds in lender funds and due to other funds in borrower funds for short-term borrowings and advances to other funds in lender funds and advances from other funds in borrower funds for long-term borrowings. Net amounts between governmental and business-type activities are reported as internal balances in the government-wide statement of net position, except for amounts between similar activities, which have been eliminated.

**Services provided and used** – sales and purchases of goods and services between funds are recorded at a price approximating their external exchange value. Interfund services provided and used are reported as revenues in seller funds and expenditures or expenses in purchaser funds. Unpaid amounts are reported as due to/from other funds in the fund balance sheets or fund statements of net position. Amounts have generally been eliminated with the government-wide financial statements.

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 1. Summary of Significant Accounting Policies (Continued)**

**(n) Interfund transactions (continued)**

**Reimbursements** – repayments from the funds responsible for particular expenditures or expenses to the funds that initially paid for them. Reimbursements are reported as expenditures in the reimbursing fund and as a reduction of expenditures in the reimbursed fund.

**Transfers** – flows of assets (such as cash or goods) without equivalent flows of assets in return and without a requirement for repayment. In governmental funds, transfers are reported as other financing uses in the funds making transfers and as other financing sources in the funds receiving transfers. In proprietary funds, transfers in/out are reported as a separate category after non-operating revenues and expenses.

**(o) Pensions**

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Village's Police, Firefighters' and IMRF pension plans (the Plans) and additions to/deductions from the Plans' fiduciary net position have been determined on the same basis as they are reported by the Plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

**(p) Implementation of New Accounting Standard**

In 2016, the Village adopted the provisions of GASB Statement No. 68, *Accounting and Financial Reporting for Pensions – an amendment of GASB Statement No. 27*, and GASB No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date – an amendment to GASB Statement No. 68*, which have as their objectives improving the usefulness of pension information included in the general purpose external financial reports of state and local governments for making decisions and assessing accountability. Adoption of GASB Statement No. 68 resulted in a restatement of beginning net position at May 1, 2015, and is described in Notes 7 and 16. In addition, the Statement changed the requirements for information disclosed in the notes to the financial statements and information required to be presented as required supplementary information.

**Note 2. Deficit Fund Balances**

Deficit Fund Balances – The following funds had deficits at the end of Fiscal 2016.

Motor Fuel Tax Fund	\$163,231
Stormwater Fund	\$744,832
Tree Fund	\$76,753
Archer Business Center Fund	\$1,246,852
Tax Increment Finance Fund	\$243,352

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 3. Deposits and Investments**

The Village maintains a cash and investment pool that is available for use by all funds, except the pension trust funds. Each fund type's portion of this pool is displayed on the combined statement of net position as "cash and investments." In addition, investments are separately held by several of the Village's funds. The deposits and investments of the pension trust funds are held separately from those of other funds.

Statutes authorize the Village to make deposits/invest in commercial banks, obligations of the U.S. Treasury and U.S. Agencies, obligations of States and their political subdivisions, credit union shares, repurchase agreements (subject to limitations), commercial paper rated within the three highest classifications by at least two standard rating services, and the Illinois Funds Investment Pool. Pension funds may also invest in certain non-U.S. obligations, mortgages, veterans' loans, life insurance company contracts and certain equities (subject to limitations). The Village's deposits and investments at April 30, 2016, are categorized to give an indication of the level of collateral risk assumed.

Restricted cash represents monies raised for a specific purpose that are legally restricted for spending on an item (i.e., sewer expansion fees for future sanitary pipes).

*(a) Custodial Credit Risk*

*Deposits* - Custodial credit risk is the risk that in the event of a bank failure, the Village's deposits may not be returned to it. The Village's investment policy does not address custodial credit risk for deposits. As of April 30, 2016, the Village's carrying value of deposit accounts was \$10,814,122 and the bank balance totaled \$11,338,657, which was insured or collateralized. As of April 30, 2016, the Pension Funds' carrying value of deposit accounts was \$18,930 and the bank balance totaled \$18,909.

*Investments* - For an investment, custodial credit risk is the risk that in the event of the failure of the counterparty, the Village will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. The Village's investment policy does not address custodial credit risk for investments. As of April 30, 2016, the Village was not exposed to custodial credit risk for its investments.

*(b) Interest Rate Risk*

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Village's investment policy requires diversifying investments to avoid incurring unreasonable risk.

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 3. Deposits and Investments (Continued)**

As of April 30, 2016, the Village had the following investments subject to interest rate risk and their maturities.

Investment Type	Fair Value	Investment Maturities (in Years)			
		Less Than 1	1-5	6 - 10	More Than 10
U.S. Treasury securities	\$ 18,818,047	\$ 7,553,098	\$ 2,488,422	\$ 8,427,874	\$ 348,653
GNMA securities	36,954	-	985	-	35,969
U.S. Government agencies - other	2,521,780	125,391	634,476	651,387	1,110,526

Common Stock	8,249,319				
Illinois Funds Investment Pool*	73,234				
Money market	1,445,704				
	<b>\$ 28,039,660</b>				

\* Weighted average maturity is less than one year.

*(c) Credit Risk*

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. State law limits investments in commercial paper and corporate bonds to the top two ratings issued by nationally recognized statistical rating organizations (NRSROs). It is the Village's policy to limit its investments in these investment types to the top rating issued by NRSROs. As of April 30, 2016, the Village's debt securities were as follows:

Investment Type	Fair Value	Standard & Poors
U.S. Treasuries	\$ 18,818,047	AAA
U.S. Government agencies:		
FHLMC	696,592	AA
FNMA	1,825,188	AA

Corporate bonds	585,554	AA
Corporate bonds	2,699,528	A
Corporate bonds	1,368,288	BBB
Illinois Funds Investment Pool	73,234	AAA

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 3. Deposits and Investments (Continued)**

*(d) Concentration of Credit Risk.* The Village places no limit on the amount the Village may invest in any one issuer, however, the Village did not have more than 5 percent of the Village's investments with any one issuer.

*(e) Other Information.* The Illinois Funds is an investment pool managed by the State of Illinois, Office of the Treasurer, which allows governments within the State to pool their funds for investment purposes. Illinois Funds is not registered with the SEC as an investment company, but does operate in a manner consistent with Rule 2a7 of the Investment Company Act of 1940. Investments in Illinois Funds are valued at Illinois Funds' share price, which is the price the investment could be sold for.

**Note 4. Property Taxes**

The Village annually establishes a legal right to the property tax assessments upon the enactment of a tax levy ordinance by the Village Board. These tax assessments are levied in December and attach as an enforceable lien on the previous January 1. Tax bills are prepared by the County and issued on or about May and August, and are payable in two installments which are due on or about June 1 and September 1.

Property taxes are billed, collected and remitted periodically by the County Treasurer of Lake County, Illinois. Since the 2015 property tax levy is levied to finance the operations of the fiscal year beginning May 1, 2016, the 2015 property tax levy is deferred (unavailable) as of year-end.

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 6. Long-Term Obligations**

The Village issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities. In addition, Illinois Environmental Protection Agency (IEPA) loans have been utilized to finance major sewer improvement/construction projects.

**(a) Governmental Activities**

The following is a summary of long-term obligation activity for the Village associated with governmental activities for the year ended April 30, 2016:

	Balance May 1(restated)	Issuances	Retirements	Balance April 30	Due Within One Year
Compensated absences	\$ 1,414,582	\$ 809,874	\$ 749,320	\$ 1,475,136	\$ 809,874
Net pension liability	33,450,492	24,577,757	4,279,526	53,748,723	-
OPEB obligations	117,940	-	6,888	111,052	-
General obligation bonds	15,670,000	-	1,745,000	13,925,000	1,790,000
Premium on bonds	279,792	-	40,705	239,087	40,705
<b>Total</b>	<b>\$ 50,932,806</b>	<b>\$ 25,387,631</b>	<b>\$ 6,821,439</b>	<b>\$ 69,498,998</b>	<b>\$ 2,640,579</b>

The general fund is used to liquidate the OPEB obligations. Compensated balances and net pension liability are primarily funded by the general fund.

**(b) Business-Type Activities**

The following is a summary of long-term obligation activity for the Village associated with business-type activities for the year ended April 30, 2016:

	Balance May 1(restated)	Issuances	Retirements	Balance April 30	Due Within One Year
Compensated absences	\$ 157,358	\$ 82,073	\$ 79,255	\$ 160,176	\$ 91,860

2022-2026	2,670,000	1,203,740	-	-
2027-2031	2,880,000	528,604	-	-
Totals	<u>\$ 13,925,000</u>	<u>\$ 4,030,833</u>	<u>\$ 840,180</u>	<u>\$ 36,771</u>

**Note 7. Defined Benefit Pension Plans**

The Village contributes to three defined benefit pension plans, the Illinois Municipal Retirement Fund (IMRF), an agent multiple-employer defined benefit pension plan; the Police Pension Plan, which is a single-employer defined benefit pension plan and the Firefighters' Pension Plan, which is also a single-employer defined benefit pension plan. The benefits, benefit levels, employee contributions and employer contributions for all three plans are governed by Illinois Compiled Statutes (ILCS) and can only be amended by the Illinois General Assembly. The Police and Firefighters' Pension Plans do not issue separate financial reports on the pension plans. IMRF issues a publicly available report that includes financial statements and supplementary information for the plan as a whole, but not for individual employers. That report may be obtained on-line at [www.imrf.org](http://www.imrf.org).

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

The aggregate totals for all pension items for three plans are as follows. Allocations between governmental and business-type activities are based on covered payroll.

	Governmental Activities	Business-type Activities *	Total Village
<b>Deferred Outflows of Resources</b>			
Police	\$ 9,746,150	\$ -	\$ 9,746,150

**(a) Illinois Municipal Retirement System**

**Plan Description**

The Village's defined benefit pension plan for regular employees (other than those covered by the Police or Firefighters' Pension Plans) provides retirement and disability benefits, post retirement increases, and death benefits to plan members and beneficiaries. The Village plan is affiliated with the Illinois Municipal Retirement Fund (IMRF), an agent multiple-employer plan. A summary of IMRF's pension benefits is provided in the "Benefits Provided" described below. Details of all benefits are available from IMRF. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available financial report that includes financial statements, detailed information about the pension plan's fiduciary net position, and required supplementary information. That report is available for download at [www.imrf.org](http://www.imrf.org).

All employees hired in positions that meet or exceed the prescribed annual hourly standard must be enrolled in IMRF as participating members. IMRF provides two tiers of pension benefits. Employees hired prior to January 1, 2011, are eligible for Tier 1 benefits. For Tier 1 employees, pension benefits vest after eight years of service. Participating members who retire at age 55 (reduced benefits) or after

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

age 60 (full benefits) with eight years of credited service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1 2/3% of their final rate of earnings, for each year of credited service up to 15 years, and 2% for each year thereafter to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement.

Employees hired on or after January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating members who retire at age 62 (reduced benefits) or after age 67 (full benefits) with ten years of credited service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1 2/3% of their final rate of earnings, for each year of credited service up to 15 years, and 2% each year thereafter to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the lesser of: 3% of the original pension amount, or 1/2 of the increase in the Consumer Price Index of the original pension amount.

Employees Covered by Benefit Terms

As of December 31, 2015, the measurement date for the net pension liability, the following employees were covered by the benefit terms:

Retirees and beneficiaries currently receiving benefits	76
Terminated employees entitled to but not yet receiving benefits	75
Current employees	<u>97</u>
<b>Total</b>	<b><u>248</u></b>

As set by statute, employer regular plan members are required to contribute 4.5 percent of their annual covered salary. The statutes require employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The employer contribution rate for calendar year 2015 was 13.56 percent of annual covered payroll and 13.40 percent for calendar year 2016. For the year ended December 31, 2015, the Village contributed \$1,086,716 to the plan. The Village also contributes for disability benefits, death benefits and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Trustees, while the supplemental retirement benefits rate is set by statute.

**Long-Term Expected Real Rate of Return.** The long-term expected rate of return on pension plan investments was determined using an asset allocation study in which best estimate ranges of expected future real rates of return (net of pension plan investment expense and inflation) were developed for each major asset class. These ranges were combined to produce long-term expected rate of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

Asset Class	Target Allocation	Projected Returns/Risks	
		One Year Arithmetic	Ten Year Geometric
Equities	38%	9.15%	7.60%
International equities	17%	9.80%	7.80%
Fixed income	27%	3.05%	3.00%
Real estate	8%	7.35%	6.15%
Alternatives	9%		
Private equity		13.55%	8.50%
Hedge funds		5.55%	5.25%
Commodities		4.40%	2.75%
Cash equivalents	1%	2.25%	2.25%

**Actuarial Assumptions.** The Village's net pension liability as of April 30, 2016 was measured at December 31, 2015 and the total pension liability for IMRF was determined by an actuarial valuation performed as of December 31, 2015 using the following actuarial methods and assumptions:

Actuarial cost method	Entry age normal
Asset valuation method	Market value of assets
Actuarial assumptions	
Investment rate of return	7.48%
Salary increases	3.75% to 14.50%, including inflation
Price inflation	2.75%

Retirement age is based on Experienced-Based Table of Rates, specific to the type of eligibility condition, last updated for the 2014 valuation according to an experience study from years 2011 to 2013.

**Mortality**

For non-disabled retirees, an IMRF specific mortality table was used with fully generational projection scale MP-2014 (base year 2014). The IMRF specific rates were developed from the RP-2014 Blue Collar Health Annuitant Mortality Table with adjustments to match current IMRF experience. For disabled retirees, an IMRF-specific mortality table was used with fully generational projection scale MP-2014 (base year 2014). The IMRF-specific rates were developed from the RP-2014 Disabled Retirees Mortality Table, applying the same adjustments that were applied for non-disabled lives. For active members, an IMRF-specific mortality table was used with fully generational projection scale MP-2014 (base year 2014). The IMRF-specific rates were developed from the RP-2014 Employee Mortality Table with adjustments to match current IMRF experience.

**Discount Rate**

A single discount rate (SDR) of 7.48% was used to measure the total pension liability. The projection of cash flow used to determine the SDR assumed that the plan members' contributions will be made at the current contribution rate, and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the Plan's fiduciary net position was projected to be depleted in 2086. The SDR reflects (1) the long-term expected rate of return on pension plan investments (during the period in which the fiduciary net

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

position is projected to be sufficient to pay benefits) and (2) the tax-exempt municipal bond rate based on an index of 20-year general obligation bonds with an average AA credit rating (which is published by the Federal Reserve) as of the measurement date (to the extent that the contributions for use with the long-term expected rate of return are not met). For the purpose of the 2015 valuation, the expected rate of return on plan investments is 7.50%, the municipal bond rate is 3.57% and the resulting SDR is 7.48% (7.49% in prior year).

**Changes in net pension liability.** The Village's changes in net pension liability for the fiscal year ended April 30, 2016 were as follows:

	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability/(Asset) (a) – (b)
Balances – beginning of year	\$42,889,608	\$37,485,939	\$5,403,669
Service cost	831,273	-	831,273
Interest on total pension liability	3,178,103	-	3,178,103
Differences between expected and actual experience of the total pension liability	(703,325)	-	(703,325)
Change of assumptions	58,166	-	58,166
Benefit payments, including refunds of employee contributions	(1,747,929)	(1,747,929)	-
Contributions – employer	-	1,044,957	(1,044,957)
Contributions – employee	-	346,772	(346,772)
Net investment income	-	186,539	(186,539)
Other (net transfer)	-	(221,714)	221,714
Net Changes	1,616,288	(391,375)	2,007,663
Balances – end of year	\$44,505,896	\$37,094,564	\$7,411,332

**Discount rate sensitivity.** The following is a sensitivity analysis of the Village's net pension liability to changes in the discount rate. The table below presents the pension liability of the Village calculated using the discount rate of 7.48% as well as what the net pension liability would be if it were to be calculated using a discount rate that is 1 percentage point lower (6.48%) or 1 percentage point higher (8.48%) than the current rate:

	1% Decrease	Current	1% Increase
	6.48%	Discount Rate 7.48%	8.48%
Village's net pension liability	\$13,778,986	\$ 7,411,332	\$2,244,218

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

***Pension expense and deferred outflows of resources and deferred inflows of resources related to pensions.*** For the year ended April 30, 2016, the Village recognized pension expense of \$1,478,655. The Village reported deferred outflows and inflows of resources as of April 30, 2016 related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$ -	\$554,479
Assumption changes	45,856	-
Net difference between projected and actual earnings on pension plan investments	2,082,588	-
Total Deferred Amounts to be Recognized In Pension Expense in Future Periods	2,128,444	554,479
Pension Contributions Made Subsequent to the Measurement Date	359,826	-
Total	\$2,488,270	\$554,479

The amounts reported as deferred outflows resulting from contributions subsequent to the measurement date in the above table will be recognized as a reduction in the net pension liability for the year ending April 30, 2017. The remaining amounts reported as deferred outflows and inflows of resources related to pensions (\$1,573,965) will be recognized in pension expense as follows:

Year Ending	
April 30,	
2017	\$384,111
2018	384,111
2019	384,111
2020	421,632
Total	\$1,573,965

**(b) Police Pension**

Plan Description and Provisions

Police sworn personnel are covered by the Police Pension Plan, which is a defined benefit single-employer pension plan. Although this is a single-employer pension plan, the defined benefits and employee and employer contribution levels are governed by Illinois Compiled Statutes (Chapter 40–Article 5/3) and may be amended only by the Illinois legislature. The Village accounts for the plan as a pension trust fund. The plan does not issue a stand-alone financial report.

	2016	2015
The Police Pension Plan membership consisted of:		
Retirees and beneficiaries currently receiving benefits	33	34
Retirees and beneficiaries entitled to but not yet receiving benefits	1	-
Current employees		
Vested	38	37
Nonvested	16	15
Total	88	86

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

The Police Pension Plan provides retirement benefits as well as death and disability benefits. Tier 1 employees (those hired prior to January 1, 2011) attaining the age of 50 or more with 20 or more years of creditable service are entitled to receive an annual retirement benefit of one-half of the salary attached to the rank held on the last day of service, or for one year prior to the last day, whichever is greater. The pension shall be increased by 2.5% of such salary for each additional year of service over 20 years up to 30 years, to a maximum of 75% of such salary. Employees with at least 8 years but less than 20 years of credited service may retire at or after age 60 and receive a reduced benefit. The monthly pension of a police officer who retired with 20 or more years of service after July 1, 1993 shall be increased annually, following the first anniversary date of retirement and be paid upon reaching the age of at least 55 years, by 3% of the pension payable including increases previously granted.

Tier 2 employees (those hired on or after January 1, 2011) attaining the age of 55 or older with 10 or more years of creditable service are entitled to receive an annual retirement benefit equal to the average monthly salary obtained by dividing the total salary of the police officer during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period. Police officers' salary for pension purposes is capped at \$106,800, plus the lesser of one-half of the annual change in the Consumer Price Index or 3% compounded. The annual benefit shall be increased by 2.5% of such salary for each additional year of service over 20 years up to 30 years to a maximum of 75% of such salary. Employees with at least 10 years may retire at age 50 and receive a reduced benefit (i.e., ½% for each month under 55). The monthly benefit of a Tier 2 police officer shall be increased annually at age 60 on January 1st after the police officer retires, or the first anniversary of the pension starting date, whichever is later. Noncompounding increases occur annually, each January thereafter. The increase is the lesser of 3% or one-half of the change in the Consumer Price Index for the preceding calendar year.

Surviving spouses receive 100% of final salary for fatalities resulting from an act of duty, or otherwise the greater of 50% of final salary or the employee's retirement benefit. Employees disabled in the line of duty receive 65% of final salary. The monthly pension of a police officer who retired with 20 or more years of service after January 1, 1977, is increased annually, following the first anniversary date of retirement and will be paid upon reaching the age of at least 55 years, by 3% of the amount of the pension payable at the time of the increase.

*Contributions*

Covered employees are required to contribute 9.91% of their base salary to the Police Pension Plan. If an employee leaves covered employment with less than 20 years of service, accumulated employee contributions may be refunded without accumulated interest. The Village is required to contribute the remaining amounts necessary to finance the plan as actuarially determined by an enrolled actuary. Effective January 1, 2011, the Village's contributions must accumulate to the point where 90% of the past service cost for the Police Pension Plan is funded by the year 2040.

Village contributions to the Plan for the year ended April 30, 2016, were \$1,305,730.

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

Investment Policy

The deposits and investments of the Police Pension Fund are held separately from those of other Village funds. Statutes authorize the Pension Fund to make deposits/invest in interest bearing direct obligations of the United States of America: obligations that are fully guaranteed or insured as to the payment of principal and interest by the United States of America: bonds, notes, debentures or similar obligations of agencies of the United States of America; savings accounts or certificates of deposit issued by banks or savings and loan associations chartered by the United States of America or by the State of Illinois, to the extent that the deposits are insured by the agencies or instrumentalities of the federal government; credit unions, to the extent that the deposits are insured by the agencies or instrumentalities of the federal government: State of Illinois bonds; pooled accounts managed by the Illinois Funds Market Fund (formerly known as IPTIP, Illinois Public Treasurers Investment Pool), or by banks, their subsidiaries or holding companies. In accordance with the laws of the State of Illinois: bonds or tax anticipation warrants of any county, township, or municipal corporation of the State of Illinois; direct obligations of the State of Israel; money market mutual funds managed by investment companies that are registered under the Federal Investment Company Act of 1940 and the Illinois Securities Law of 1953 and are diversified, open-ended management investment companies, provided the portfolio is limited to specified restrictions; general accounts of life insurance companies; and separate accounts of life insurance companies and mutual funds, the mutual funds must meet specific restrictions provided the investment in separate accounts and mutual funds does not exceed 10% of the Pension Fund's plan net position; and corporate bonds managed through an investment advisor, rated as investment grade by one of the two largest rating services at the time of purchase. Pension Funds with plan net position of \$2.5 million or more may invest up to 45% of plan net position in separate accounts of life insurance companies and mutual funds. Pension Funds with plan net position of at least \$5 million that have appointed an investment advisor, may through that investment advisor invest up to 45% of the plan net position in common and preferred stocks that meet specific restrictions. In addition, pension funds with plan net position of at least \$10 million that have appointed an investment advisor may invest up to 55% of its net position in common and preferred stocks and mutual funds that meet specific restrictions effective July 1, 2012. The Fund's investment policy in accordance with ILCS establishes the following target allocation across asset classes:

<u>Asset Class</u>	<u>Target</u>	<u>Long-Term Expected Real Rate of Return</u>
Fixed Income	40%	4.0%
Equities	56%	10.0%
Cash Equivalents	4%	0.0%

The long-term expected rate of return of 7.0% on the Fund's investments was determined using an asset allocation study conducted by the Fund's investment management consultant in July 2016 in which best-estimate ranges of expected future real rates of return (net of pension plan investment expense and inflation) were developed for each major assets class. These ranges were combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates or arithmetic real rates of return for each major asset class included in the Fund's target asset allocation as of April 30, 2016 are listed in the table above.

For the year ended April 30, 2016, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was 1.00 percent. The money-weighted rate of

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Actuarial Assumptions

The Village's net pension liability was measured as of April 30, 2016 and the total pension liability was determined by an actuarial valuation performed as of April 30, 2016, using the following actuarial methods and assumptions.

Actuarial cost method	Entry age normal
Asset valuation method	Market value of assets
Actuarial assumptions	
Investment rate of return	7.0%
Inflation	2.5%
Salary increases	4.00% to 6.76%, including inflation
Projected increase in total payroll	3.5%

The discount rate used to measure the total pension liability was 5.76% (7.0% in the prior year). The projection of cash flows used to determine the discount rate assumed that member contributions will be made at the current contribution rate and that the Village contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the Police Pension Fund's fiduciary net position was projected to be available to make projected future benefit payments of current plan members through 2059. Accordingly, the discount rate reflects the use of the long-term expected rate of return of 7.0% through 2059 and the use of a high quality 20-year tax-exempt G.O. bond rate of 3.32% for all remaining years.

The Village's change in net pension liability for the year ended April 30, 2016 was as follows:

	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability
Balances - beginning of year	\$46,676,357	\$23,485,243	23,191,114
Service cost	1,419,301	-	1,419,301
Interest on total pension liability	2,638,886	-	2,638,886
Differences between expected and actual experience of the total pension liability	(674,152)	-	(674,152)
Change of assumptions	9,714,586	-	9,714,586
Benefit payments, including refunds of employee contributions	(1,724,726)	(1,724,726)	-
Contributions – employer	-	1,305,730	(1,305,730)
Contributions – employee	-	503,875	(503,875)
Net investment income	-	226,006	(226,006)
Administrative expense	-	(44,653)	44,653
Other (net transfer)	-	-	-
Net Changes	<u>11,373,895</u>	<u>266,232</u>	<u>11,107,663</u>
Balances - end of year	<u>58,050,252</u>	<u>23,751,475</u>	<u>34,298,777</u>

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

The following is a sensitivity analysis of the net pension liability to changes in the discount rate. The table below presents the pension liability of the Village calculated using the discount rate of 5.76% as well as what the Village's net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (4.76%) or 1 percentage point higher (6.76%) than the current rate:

	1% Decrease (4.76%)	Current Discount Rate (5.76%)	1% Increase (6.76%)
Net Pension Liability	44,876,553	34,298,777	25,911,222

For the year ended April 30, 2016, the Village recognized pension expense of \$3,264,786. The Village reported deferred outflows and inflows of resources as of April 30, 2016 related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Experience		597,543
Changes of Assumptions	8,610,655	
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	1,135,495	
Total	9,746,150	597,543

The amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended April 30,	
2017	\$1,311,196
2018	1,311,196
2019	1,311,196
2020	1,311,195
2021	1,027,322
thereafter	2,876,502
Total	\$9,148,607

**(c) Firefighters' Pension**

Plan Description

Fire sworn personnel are covered by the Firefighters' Pension Plan which is a defined benefit single-employer pension plan. Although this is a single-employer pension plan, the defined benefits as well as the employee and employer contributions levels are mandated by Illinois Compiled Statutes (Chapter 40–Article 5/3) and may be amended only by the Illinois legislature. The Village accounts for the plan as a pension trust fund. The plan does not issue a stand-alone financial report.

The Firefighters' Pension Plan provides retirement benefits as well as death and disability benefits. Tier 1 employees (those hired prior to January 1, 2011) attaining the age of 50 or more with 20 or more years of creditable service are entitled to receive an annual retirement benefit of one-half of the salary

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

attached to the rank held on the last day of service. The monthly pension shall be increased by one-twelfth of 2.5% of such monthly salary for each additional month over 20 years of service through 30 years to a maximum of 75% of such monthly salary. Employees with at least 10 years but less than 20 years of credited service may retire at or after age 60 and receive a reduced retirement benefit. The monthly pension of a firefighter who retired with 20 or more years of service after January 1, 1977, shall be increased annually, following the first anniversary date of retirement, and paid upon reaching at least the age 55, by 3% of the original pension and 3% annually thereafter.

Tier 2 employees (those hired on or after January 1, 2011) attaining the age of 55 or older with 10 or more years of creditable service are entitled to receive an annual retirement benefit equal to the average monthly salary obtained by dividing the total salary of the firefighter during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period. Firefighters' salary for pension purposes is capped at \$106,800, plus the lesser of one-half of the annual change in the Consumer Price Index or 3.00% compounded. The annual benefit shall be increased by 2.50% of such salary for each additional year of service over 20 years up to 30 years to a maximum of 75.00% of such salary. Employees with at least 10 years may retire at or after age 50 and receive a reduced benefit (*i.e.*, 1/2% for each month under 55). The monthly benefit of a Tier 2 firefighter shall be increased annually at age 60 on the January 1st after the firefighter retires, or the first anniversary of the pension starting date, whichever is later. Noncompounding increases occur annually, each January thereafter. The increase is the lesser of 3.00% or one-half of the change in the Consumer Price Index for the proceeding calendar year.

Surviving spouses receive 100% of final salary for fatalities resulting from an act of duty, or otherwise the greater of 54% of the final salary or the monthly retirement pension that the deceased firefighter was receiving at the time of death. Surviving children receive 12% of the final salary. The maximum family survivor benefit is 75% of final salary. Employees disabled in the line of duty receive 65% of final salary.

The Firefighters' Pension Plan membership consisted of April 30:	2016	2015
Inactive Plan Members or Beneficiaries Currently Receiving Benefits	11	11
Inactive Plan Members Entitled to but not yet Receiving Benefits	1	-
Active Plan Members	26	26
Total	38	37

**Contributions**

Covered employees are required to contribute 9.455% of their salary to the Firefighters' Pension Plan. If an employee leaves covered employment with less than 20 years of service, accumulated employee contributions may be refunded without accumulated interest. The Village is required to contribute the remaining amounts necessary to finance the plan as actuarially determined by an enrolled actuary. Effective January 1, 2011, the Village's contributions must accumulate to the point where 90% of the past service cost for the Firefighters' Pension Plan is funded by the year 2040. Administrative expenses are generally paid from plan assets.

Village contributions to the Plan for the year ended April 30, 2016, were \$582,571.

**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

*Investment Policy*

The deposits and investments of the Fire Fighter’s Pension Fund are held separately from those of other Village funds. Statutes authorize the Pension Fund to make deposits/invest in interest bearing direct obligations of the United States of America; obligations that are fully guaranteed or insured as to the payment of principal and interest by the United States of America; bonds, notes, debentures or similar obligations of agencies of the United States of America; savings accounts or certificates of deposit issued by banks or savings and loan associations chartered by the United States of America or by the State of Illinois, to the extent that the deposits are insured by the agencies or instrumentalities of the federal government; credit unions, to the extent that the deposits are insured by the agencies or instrumentalities of the federal government; State of Illinois bonds: pooled accounts managed by the Illinois Funds Market Fund (formerly known as IPTIP, Illinois Public Treasurer’s Investment Pool), or by banks, their subsidiaries or holding companies. In accordance with the laws of the State of Illinois: bonds or tax anticipation warrants of any county, township, or municipal corporation of the State of Illinois: direct obligations of the State of Israel; money market mutual funds managed by investment companies that are registered under the Federal Investment Company Act of 1940 and the Illinois Securities Law of 1953 and are diversified, open-ended management investment companies, provided the portfolio is limited to specified restrictions; general accounts of life insurance companies; and separate accounts of life insurance companies and mutual funds, the mutual funds must meet specific restrictions, provided the investment in separate accounts and mutual funds does not exceed 10% of the Pension Fund’s plan net position; and corporate bonds managed through an investment advisor, rated as investment grade by one of the two largest rating services at the time of purchase. Pension Funds with plan net position of \$2.5 million or more may invest up to 45% of plan net position in separate accounts of life insurance companies and mutual funds. Pension Funds with plan net position of at least \$5 million that have appointed an investment advisor, may through that investment advisor invest up to 45% of the plan net position in common and preferred stocks that meet specific restrictions. In addition, pension funds with plan net position of at least \$10 million that have appointed an investment advisor, may invest up to 45% of its net position in common and preferred stocks and mutual funds that meet specific restrictions effective July 1, 2012.

Illinois Funds is an investment pool managed by the Illinois Public Treasurer’s Office which allows governments within the State to pool their funds for investment purposes. Although not registered with the SEC, Illinois Funds does operate in a manner consistent with Rule 2a7 of the Investment Company Act of 1940. Investments in Illinois Funds are valued at the share price, the price for which the investment could be sold. Illinois Funds was rated AAAM by Standard & Poor’s Investors Service.

The Fund’s investment policy in accordance with ILCS establishes the following target allocation across asset classes:

<u>Asset Class</u>	<u>Target</u>	<u>Long-Term Expected Real Rate of Return</u>
Fixed Income	40%	2.1%
Equities	56%	7.0%
Cash Equivalents	4%	1.0%

The long-term expected rate of return on the Fund’s investments of 7.0% was determined using an asset allocation study conducted by the Fund’s investment management consultant in August 2015 in

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

which best-estimate ranges of expected future real rates of return (net of pension plan investment expense and inflation) were developed for each major assets class. These ranges were combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates or arithmetic real rates of return for each major asset class included in the Fund's target asset allocation as of April 30, 2015 are listed in the table above.

For the year ended April 30, 2016, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was -0.11 percent. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

The Pension Fund assumes any callable securities will not be called.

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. In accordance with the Pension Fund's investment policy, the Pension Fund limits its exposure to interest rate risk by structuring the portfolio to provide liquidity while at the same time matching investment maturities to projected fund liabilities.

**Credit Risk**

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The Firefighters' Pension Fund helps limit its exposure to credit risk by primarily investing in securities issued by the United States Government and/or its agencies that are implicitly guaranteed by the United States Government. The Pension Fund's investment policy establishes criteria for allowable investments; those criteria follow the requirements of the Illinois Pension Code. The investments in the securities U.S. Government Agencies were all rated AAA and Corporate Bonds were all rated BBB or better by Standard & Poor's or by Moody's Investors Services. The Pension Fund's investment policy also prescribes to the "prudent person rule" which states, "Investments shall be made with judgment and care. Under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the primary objective of safety as well as the secondary objective of the attainment of market rates of return."

**Custodial Credit Risk**

Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to the investment, the Firefighters' Pension Fund will not be able to recover the value of its investments that are in possession of an outside party. To limit its exposure, the Firefighters' Pension Fund investment policy limits its exposure to custodial credit risk by utilizing an independent third party institution, selected by the Pension Fund, to act as custodian for its securities and collateral.

**Reserves and Concentration of Investments**

There are no assets legally reserved for purposes other than the payment of plan member benefits. There are no long-term contracts for contributions. The plan held no investments (other than those issued or guaranteed by the U.S. government) that represented 5% or more of net position available for benefits.

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

Actuarial Assumptions

The Village's net pension liability was measured as of April 30, 2016 and the total pension liability was determined by an actuarial valuation performed as of April 30, 2016, using the following actuarial methods and assumptions.

Actuarial cost method	Entry age normal
Asset valuation method	Market value of assets
Actuarial assumptions	
Investment rate of return	7.0%
Inflation	2.5%
Salary increases	4.00% to 6.70%, including inflation
Projected increase in total payroll	3.5%

The discount rate used to measure the total pension liability was 5.85% (7.0% in the prior year). The projection of cash flows used to determine the discount rate assumed that member contributions will be made at the current contribution rate and that the Village contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the Firefighters' Pension Fund's fiduciary net position was projected to be available to make projected future benefit payments of current plan members through 2059. Accordingly, the discount rate reflects the use of the long-term expected rate of return of 7.0% through 2059 and the use of a high quality 20-year tax-exempt G.O. bond rate of 3.32% for all remaining years.

*Pension Expense and Deferred Outflows of Resources Related to Pensions*

	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability
Balances - beginning of year	\$23,309,141	\$17,318,662	5,990,479
Service cost	757,788	-	757,788
Interest on total pension liability	1,339,984	-	1,339,984
Differences between expected and actual experience of the total pension liability	777,345	-	777,345
Change of assumptions	5,493,935	-	5,493,935
Benefit payments, including refunds of employee contributions	(806,871)	(806,871)	-
Contributions – employer	-	582,571	(582,571)
Contributions – employee	-	229,938	(229,938)
Net investment income	-	(18,916)	18,916
Administrative expense	-	(29,055)	29,055
Other (net transfer)	-	-	-
Net Changes	<u>7,562,181</u>	<u>(42,333)</u>	<u>7,604,514</u>
Balances - end of year	<u>30,871,322</u>	<u>17,276,329</u>	<u>13,594,993</u>

The following is a sensitivity analysis of the Village's net pension liability to changes in the discount rate. The table below presents the pension liability of the Village calculated using the discount rate of 5.85%

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

as well as what the Village's net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (4.85%) or 1 percentage point higher (6.85%) than the current rate:

	1% Decrease (4.85%)	Current Discount Rate (5.85%)	1% Increase (6.85%)
Village's net Pension Liability	18,772,347	13,594,993	9,426,391

For the year ended April 30, 2016, the Village recognized pension expense of \$1,578,008. As of April 30, 2016, the Village reported deferred outflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources
Differences Between Expected and Actual Experience	697,206
Changes of Assumptions	4,927,549
Net Difference Between Projected and Actual Earnings on Pension Plan Investments	984,322
Total	6,609,077

Amounts reported as deferred outflows of resources related to pensions will be recognized in pension expense in future periods as follows:

Year Ended April 30,	
2017	\$892,606
2018	892,606
2019	892,606
2020	892,604
2021	646,525
thereafter	2,392,130
Total	\$6,609,077

*Significant Investments*

It is the policy of the Police Pension and Firefighters' Pension Funds to diversify their investment portfolio. Investments shall be diversified to eliminate the risk of loss resulting in over-concentration in a security, maturity, issuer or class of securities. According to the Pension Funds' investment policy, the Pension Funds will diversify their investments by security type and institution. At April 30, 2016, the Police Pension and Firefighters' Pension Funds' investments (other than U.S. Government and U.S. Government-guaranteed obligations) do not include any investments with which represents 5% or more of each plan's net position.

**Notes to Financial Statements**  
**April 30, 2016**

**Note 7. Defined Benefit Pension Plans (Continued)**

**Summary of Significant Accounting Policies and Plan Asset Matters**

*Police Pension and Firefighters' Pension*

Basis of Accounting

The financial statements are prepared using the accrual basis of accounting. Under this method, additions to net position are recorded when earned and deductions from net position are recorded when the time related liabilities\deferred inflows are incurred. Plan member contributions are recognized in the period in which the contributions are due. Employer contributions are recognized when due and the employer has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

Method Used to Value Investments

Investments are reported at fair value. Short-term investments are reported at cost, which approximates fair value. Securities traded on national exchanges are valued at the last reported sales price. Investments that do not have any established market, if any, are reported at estimated fair value.

There are no securities of the employer or any other related parties included in plan assets, including any loans.

**April 30, 2016**

**Note 8. Other Postemployment Benefits (OPEB)**

Plan Description

In addition to providing the pension benefits described in Note 7, the Village provides postemployment health care benefits (OPEB) for retired employees. The Village of Mundelein Group Health Plan (the Plan) is a single-employer defined benefit healthcare plan administered by the Village. The Plan provides medical and dental insurance benefits to eligible retirees and their dependents. The benefits, benefit levels, employee contributions and employer contributions are governed by the Village Board and can only be amended by the Village Board. The Plan is not accounted for as a trust fund and an irrevocable trust has not been established. The Village does not issue a Plan financial report.

Membership

Retirees and beneficiaries receiving benefits	16
Terminated employees entitled to but not yet receiving benefits	0
Active vested plan members	109
Active nonvested plan members	<u>65</u>
Total	<u>190</u>

Funding Policy

The contribution requirements of plan members and the Village are established and may be amended by the Village Board and are detailed in the "Plan Document and Summary Plan Description." The required contribution is based on projected pay-as-you-go financing requirements. For fiscal year 2016, the Village contributed \$79,966 to the plan.

Annual OPEB Cost and Net OPEB Obligation

The Village's annual other postemployment benefit (OPEB) cost (expense) is calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. The following table shows the components of the Village's annual OPEB cost for the year, the amount actually contributed to the plan, and changes in the Village's net OPEB obligation to the Plan:

Annual required contribution (ARC)	\$ 72,290
Interest on net OPEB obligation	4,719
Adjustment to annual required contribution	<u>(3,931)</u>
Annual OPEB cost	73,078
Contribution made	<u>79,966</u>
Increase in net OPEB obligation	(6,888)
Net OPEB obligation beginning of year	<u>117,940</u>
Net OPEB obligation end of year	<u>\$ 111,052</u>

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 8. Other Postemployment Benefits (OPEB) (Continued)**

The Village's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for the last three years were as follows:

Fiscal Year Ending	Annual OPEB Cost	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation
4/30/2016	\$ 73,077	109.4%	\$ 111,052
4/30/2015	73,122	109.4%	117,940
4/30/2014	63,625	67.2%	124,784

**Funded Status and Funding Progress**

For fiscal year 2016, the plan was 0% funded. The actuarial accrued liability for benefits was \$920,846, and the actuarial value of assets was \$0 (zero), resulting in an unfunded actuarial accrued liability (UAAL) of \$920,846. The covered payroll (annual payroll of active employees covered by the plan) was \$13,697,533, and the ratio of the UAAL to the covered payroll was 6.53 percent.

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

**Actuarial Methods and Assumptions**

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

In the April 30, 2016 actuarial valuation (most recent available), the entry age actuarial cost method was used. The actuarial assumptions included a 4.0 percent investment rate of return (net of administrative expenses), which is a blended rate of the expected long-term investment returns on plan assets and on the employer's own investments calculated based on the funded level of the plan at the valuation date, and an annual healthcare cost trend rate of 7.5 percent initially, reduced by decrements to an ultimate rate of 5.5 percent ultimately. Both rates included a 3.0 percent inflation assumption. The actuarial value of assets was determined using market value. The UAAL is being amortized as a level percentage of projected payroll on an open basis. The remaining amortization period at April 30, 2016, was 30 years.

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 9. Interfund Activity**

Due To/From Other Funds

The composition of interfund balances as of April 30, 2016, is as follows:

Receivable Fund	Payable Fund	Amount
General Fund	Motor Fuel Tax Fund	\$ 363,000
General Fund	Stormwater Management Fund	744,832
General Fund	Tree Fund	76,753
General Fund	Archer Business Center Fund	1,236,852
Tax Rebate Fund	General Fund	185,000

The interfund receivables in the general fund represent pooled cash overdrafts in the applicable special revenue funds. The \$185,000 interfund balance represents sales tax collected by the General Fund from the Mundelein Crossing incentive agreement which is due to the Tax Rebate Fund.

For interfund fund transfers, \$100,000 was transferred to the Revolving Loan/Grants Fund for these two programs to assist in the rehabilitation of private property. \$1,000,000 was transferred from the general fund to the equipment replacement fund for major capital equipment purchases. Also, the General Fund subsidized \$210,000 for debt service on its 2005 debt issuance.

Transfers In/Transfers Out

Receiving Fund/Disbursing Fund	Detail	Amount
Revolving Loan/Grants Fund		
General Fund	Funding for grants	100,000
Equipment Replacement Fund		
General Fund	Fund vehicles/major equipment	1,000,000
Debt Service Fund		
General Fund	Partial abatement of debt tax levy	<u>210,000</u>
		<u>\$ 1,310,000</u>

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 10. Contingent Liabilities**

**(a) Litigation**

There are several pending lawsuits in which the Village is involved. Management believes that the potential claims against the Village resulting from such litigation will not materially affect the financial position of the Village.

**(b) Grants**

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Village expects such amounts, if any, to be immaterial.

**(c) Central Lake County Joint Action Water Agency (CLCJAWA)**

The Village's water supply agreement with the Central Lake County Joint Action Water Agency (CLCJAWA) provides that each customer is liable for its proportionate share of any costs arising from defaults in payment obligations by other customers.

**(d) Solid Waste Agency of Lake County (SWALCO)**

The Village's contract with the Solid Waste Agency of Lake County provides that each member is liable for its proportionate share of any costs arising from defaults in payment obligations by other members.

**(e) Developer Financing Agreements**

Two sales tax financing arrangements are in progress. Amounts are payable only from the Village's incremental sales taxes collected. Revenues collected and allocable to the agreements in the amount of \$185,000 are recorded as a liability and will be paid to the developer as part of the agreements. One of the agreements began during fiscal year 2015 with a maximum payout of \$552,984 over a four year period. The other arrangement was entered into in 2014 and reimburses 50% of sales taxes collected, with no maximum amount, over the next twenty years. During the current year, one additional tax sharing agreement was entered into with a shopping center that rebates a portion of property and sales taxes beginning in 2017 with a maximum payout of \$750,000 over 20 years.

**Note 11. Risk Management**

The Village is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; natural disasters; and injuries to the Village's employees. The Village currently reports all its risk management activities in the General Fund.

The Village participates in the Intergovernmental Risk Management Agency (IRMA). IRMA is an organization of municipalities and special districts in Northeastern Illinois which have formed an association under the Illinois Intergovernmental Cooperation Statute to pool their risk management needs. The agency administers a mix of self-insurance and commercial insurance coverages; property/casualty and workers' compensation claim administration/litigation management services;

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 11. Risk Management (continued)**

unemployment claim administration; extensive risk management/loss control consulting and training programs; and a risk information system and financial reporting service for its members.

The Village's payments to IRMA are displayed on the financial statements as expenditures/ expenses in the appropriate funds. Each member assumes the first \$1,000 of each occurrence for the years prior to 2004 and \$2,500 for each occurrence in 2004 and subsequent years. Beginning in 2005, members were given the option to assume higher deductibles. IRMA has a mix of self insurance and commercial insurance at various amounts above that level. The Village had a \$25,000 deductible for the year ended April 30, 2016.

Each member appoints one delegate, along with an alternate delegate, to represent the member on the Board of Directors. The Village does not exercise any control over the activities of the Agency beyond its representation on the Board of Directors.

Initial contributions are determined each year based on the individual member's eligible revenue as defined in the by-laws of IRMA and experience modification factors based on past member loss experience. Members have a contractual obligation to fund any deficit of IRMA attributable to a membership year during which they were a member. Supplemental contributions may be required to fund these deficits.

The Village has also purchased insurance from commercial insurance companies. Risks covered included medical and other. Premiums have been displayed as expenditures/expenses in appropriate funds. There have been no significant reductions in insurance coverage during the current year. For all programs, settlement amounts have not exceeded insurance coverage for the current or three prior years.

**Note 12. Joint Venture – Solid Waste Agency of Lake County**

The Village is a member of the Solid Waste Agency of Lake County (the Agency) which consists of 35 municipalities. The Agency is a municipal corporation and public body politic and corporate established pursuant to the Constitution Act of the State of Illinois and the Intergovernmental Cooperation Act of the State of Illinois, as amended (the Act). The Agency is empowered under the Act to plan, construct, finance, operate and maintain a solid waste disposal system to serve its members. The Agency is reported as a nonequity governmental joint venture.

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 12. Joint Venture – Solid Waste Agency of Lake County (Continued)**

The members of the Agency and their percentage shares based on a formula contained in the Agency agreement are:

	%			%
	Share			Share
Antioch	1.06	%	Lindenhurst	1.45
Beach Park	1.65		Long Grove	1.42
Deer Park	.74		Mundelein	4.12
Deerfield	4.25		North Barrington	.66
Fox Lake	-		North Chicago	3.13
Grayslake	1.46		Park City	.86
Green Oaks	.47		Port Barrington	-
Gurnee	3.11		Riverwoods	.94
Hainesville	-		Round Lake	.61
Hawthorn Woods	1.07		Round Lake Beach	2.55
Highland Park	8.03		Round Lake Heights	-
Island Lake	-		Round Lake Park	.64
Kildeer	.67		Third Lake	.24
Lake Barrington	1.16		Tower Lakes	-
Lake Bluff	1.61		Vernon Hills	3.36
Lake County	19.88		Wadsworth	.39
Lake Forest	6.13		Wauconda	1.31
Lake Villa	.55		Waukegan	12.15
Lake Zurich	3.21		Winthrop Harbor	1.08
Libertyville	4.38		Zion	<u>3.92</u>
Lincolnshire	1.74			
				<u>100.00</u> %

These percentage shares are subject to change in future years based on the combination of the population and equalized assessed valuation of the municipalities.

The members form a contiguous geographic service area which is located in Lake County. Under the Agency Agreement, additional members may join the Agency upon approval of each member.

The Agency is governed by a Board of Directors which consists of one appointed Mayor or President, Trustee or Chief Administrative Officer from each member municipality. Each Director has an equal vote. The officers of the Agency are appointed by the Board of Directors. The Board of Directors determines the general policy of the Agency, makes all appropriations, approves contracts, adopts resolutions providing for the issuance of Bonds or Notes by Agency, adopts by-laws, rules and regulations and exercises such powers and performs such duties as may be prescribed in the Agency Agreement or the by-laws.

Complete financial statements for the Agency can be obtained from the Agency's administrative office at 1311 N. Estes St., Gurnee, Illinois 60031.

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 12. Joint Venture – Solid Waste Agency of Lake County (Continued)**

Revenues of the system consist of (a) all receipts derived from Solid Waste Disposal Contracts or any other contracts for the disposal of waste; (b) all income derived from the investment of moneys; and (c) all income, fees, service charges and all grants, rents and receipts derived by the Agency from the ownership and operation of the system.

The Agency covenants to establish fees and charges sufficient to provide revenues to meet all its requirements.

The Agency has entered into Solid Waste Disposal Contracts with the member municipalities. The Contracts are irrevocable and may not be terminated or amended except as provided in the Contract. Each member is obligated, on a “take or pay” basis, to purchase or in any event to pay for a minimum annual cost of the system.

The obligation of the Village to make all payments as required by this Contract is unconditional and irrevocable, without regard to performance or nonperformance by the Agency of its obligations under this Contract.

The payments required to be made by the Village under this Contract shall be required to be made solely from revenues to be derived by the Village from the operation of the Village’s system. The government is not prohibited by the Contract from using other available funds to make payments required by the Contract. The Contract shall not constitute an indebtedness of the Village within the meaning of any statutory or constitutional limitation.

In accordance with the joint venture Agreement, the Village made no remittances for the Agency for 2015.

**Note 13. Contractual and Other Commitments**

The Village entered into contracts for the construction or renovation of various streets and facilities. The Village has entered into contracts for 2016 street renovations subsequent to April 30, 2016 for approximately \$5 million. No further financing is required on any of the contracts.

The Village has committed to purchase all water from the Central Lake County Joint Action Water Agency (CLCJAWA).

The Village has committed to make payments to the Solid Waste Agency of Lake County. As of the date of this report, future minimum amounts have not been determined.

The Village has a commitment to a developer to reimburse 40% of any tax increment from its residential developments within the TIF District.

**Village of Mundelein, Illinois**  
**Notes to Financial Statements**  
**April 30, 2016**

**Note 14. Segment Information**

The Village maintains only one enterprise fund which is intended to be self-supporting through user fees charged for services to the public.

**Note 15. New Governmental Accounting Standards**

During the past few years, the Governmental Accounting Standards Board has issued several statements that will affect governmental reporting - GASB Statement No. 72 *Fair Value Measurement and Application*, GASB Statement No. 75 *Accounting and Financial Reporting for Postemployment Benefits Other than Pensions*, GASB Statement No. 82 *Pension Issues – an amendment of GASB Statements No. 67, No. 68, and No. 73*. When these statements become effective, application of these standards may restate portions of these financial statements.

**Note 16. Restatement**

The governmental activities, business-type activities, and proprietary fund's beginning net position were restated due to the implementation of Governmental Accounting Standards Board Statement No. 68, *Accounting and Financial Reporting for Pensions – an amendment of GASB Statement No. 27* and Governmental Accounting Standards Board Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date – an amendment of GASB Statement No. 68* as follows:

Governmental Activities

Net Position Adjustment related to GASB 68 implementation	
Removal of GASB 27 net pension asset at May 1, 2015	(\$379,425)
Record GASB 68 net pension liability at May 1, 2015	(\$33,450,492)
Record Deferred Outflows at May 1, 2015	<u>\$254,160</u>
Net Restatement	<u>(\$33,575,757)</u>

Business-type Activities/Water and Sewer Fund

Net Position Adjustment related to GASB 68 implementation	
Record GASB 68 net pension liability at May 1, 2015	(\$1,134,770)
Record Deferred Outflows at May 1, 2015	<u>\$67,562</u>
Net Restatement	<u>(\$1,067,208)</u>

Schedule of Village Contributions  
Illinois Municipal Retirement Fund  
April 30, 2016**

Year Ended	Actuarially Determined Contributions	Actual Contributions	Contribution Deficiency/ (Excess)	Covered-Employee Payroll	Contributions as a Percentage of Covered Payroll
4/30/2016	\$ 1,091,237	\$ 1,086,716	\$ 4,521	\$ 8,045,813	13.5%

*Notes to the Required Supplementary Information*

Valuation date: Actuarially determined contribution rates are calculated as of December 31 each year, which are 12 months prior to the beginning of the fiscal year in which contributions are reported.

*Methods and assumptions used to determine 2015 contribution rates:*

Actuarial cost method	Aggregate entry age normal
Amortization method	Level percentage of payroll, closed
Remaining amortization period	28 years closed period
Asset valuation period	5-Year smoothed market; 20% corridor
Wage growth	4.0%
Price Inflation	3.0% approximate; no explicit price inflation assumption is used in this valuation
Salary increases	4.40% to 16.00% including inflation
Investment rate of return	7.50%
Retirement age	Experience-based table of rates that are specific to the type of eligibility condition; last updated for the 2011 valuation pursuant to an experience study of the period 2008 to 2010
Mortality	RP-2000 Combined Healthy Mortality Table, adjusted for mortality improvements to 2020 using projection scale AA. For men, 120% of the table rates were used. For women, 92% of the table rates were used. For disabled lives, the mortality rates are the rates applicable to non-disabled lives set forward 10 years.
Other	There were no benefit changes during the year.

Information above based on valuation assumptions used in the December 31, 2013 actuarial valuation; note 2 year lag between valuation and rate setting.

**Notes to Required Supplementary Information**  
**April 30, 2016**

**Note 1. Budgetary Basis of Accounting**

The General Fund budget is adopted on a basis that is consistent with generally accepted accounting principles.

All departments of the Village submit requests for appropriation to the Village's Administrator so that a budget may be prepared. The budget is prepared by fund, function and activity, and includes information on the past year, current year estimates and requested appropriations for the next fiscal year. Annual appropriated budgets are adopted for the general, special revenue, debt service, capital projects, enterprise and pension trust funds.

Budgets are adopted on a basis consistent with generally accepted accounting principles except for the Waterworks and Sewerage Fund. The Waterworks and Sewerage Fund is adopted on a modified basis in that depreciation is not budgeted, and capital outlay and debt principal retirements are budgeted.

The proposed budget is presented to the governing body for review. The governing body holds public hearings and may add to, subtract from or change appropriations, but may not change the form of the budget. The administrator is authorized to transfer budgeted amounts between departments within any fund; however, the governing body must approve any revisions that alter the total expenditures of any fund.

The budget may be amended by the governing body.

Expenditures and transfers out may not legally exceed budgeted appropriations at the fund level. The following funds had expenditures in excess of budget:

General Fund	\$1,675,838
Road and Bridge Fund	\$508,331
Illinois Municipal Retirement Fund	\$61,014
Social Security Fund	\$5,498
Motor Fuel Tax Fund	\$132,874
911 Surcharge Fund	\$132,479
Tax Increment Finance Area #2 Fund	\$63,808
Archer Business Center Fund	\$144,233
General Obligation Bond Fund	\$960

## NONMAJOR SPECIAL REVENUE FUNDS

**Road and Bridge Fund** – To account for revenues derived from a specific annual property tax levy provided for the purpose of providing funds for the maintenance and construction of roads and bridges.

**Illinois Municipal Retirement Fund** – To account for revenues derived from a specific annual property tax levy provided for the purpose of providing employer contributions to the state sponsored Illinois Municipal Retirement Fund.

**Social Security Fund** – To account for revenues derived from a specific annual property tax levy provided for the purpose of meeting the costs associated with participation in the “Social Security Act.”

**Train Station Parking Fund** – To account for revenues and expenditures related to the operations of the train station parking lot.

**Motor Fuel Tax Fund** – To account for revenues provided by the Village’s share of state gasoline taxes used for the operation of certain street maintenance and improvement programs, as authorized by the Illinois Department of Transportation.

**911 Surcharge Fund** – To account for revenues derived from the imposition of a surcharge per network connection on the telecommunication companies for the purpose of installing and maintaining a 911 Emergency Telephone System (The Emergency Telephone System Act).

**Tax Rebate Fund** – To account for sales tax sharing agreements with developers for improvements to their businesses

**Revolving Loans/Grants Fund** – To account for community development block grants received by the Village, as subrecipient and, from Lake County, as recipient, of funds under Title 1 of the Housing and Community Development Act of 1974, as amended. This fund also accounts for a revolving loan program with the Affordable Housing Corporation of Lake County.

**Transportation Fund** – To account for revenues derived from transportation impact fees used to fund Construction of Transportation Improvements, including intersection improvements and Metra train station facilities.

**Stormwater Management Fund** – To account for revenues derived from Stormwater Management fees received from developers. The Village will use the funds for storm water relief projects.

**Tree Fund** – To account for revenues generated as a result of the landscape code ordinance, and utilized for forestry activities of public property.

**Archer Business Center Fund** – To account for rental activity and improvements at the Village-owned property at 165 North Archer.

**Tax Increment Finance Area #2 Fund** – To account for the activity relating to Tax Increment Allocation Financing for the downtown TIF Redevelopment Project Area adopted as Ord. 05-04-08 on January 10, 2005.

**Equipment Replacement Fund** – To account for activities relating to the funding for, and replacement of cars, maintenance vehicles, other specialty vehicles and essential equipment associated therewith.

**Village of Mundelein, Illinois**  
**Nonmajor Special Revenue Funds**

## **NONMAJOR DEBT SERVICE FUND**

**General Obligation Bond Fund** – To accumulate monies for the payment of the \$7,100,000 General Obligation bonds Series 2010A, which are due in annual installments plus interest until maturity in 2030; to accumulate monies for the payment of the \$9,135,000 General Obligation Refunding bonds Series 2010B, which are due in annual installments plus interest until maturity in 2019, and to accumulate monies for the payment of the \$3,210,000 General Obligation Refunding bonds Series 2013, which are due in annual installments plus interest until maturity in 2021. Financing is provided by specific annual property tax levies. Property taxes levied in excess of actual requirements are legally restricted to servicing this debt. The 2010A bonds were issued to pay for land acquisition, demolition of structures and infrastructure improvements. The 2010B bonds were issued to pay the cost of refunding the 1998 General Obligation bonds and to pay the cost of the advance refunding of the 1999 General Obligation bonds. The 2013 bonds were issued to pay the cost of refunding the 2005 General Obligation bonds.

## FIDUCIARY FUNDS

### Pension Trust

**Police Pension Fund** – To account for the accumulation of resources to be used for disability and retirement annuity payments to uniformed police department personnel at appropriate amounts and times in the future. Resources are contributed by employees at rates fixed by laws and by the Village at amounts determined by the Department of Insurance of the State of Illinois from a specific annual property tax levy.

**Firefighters' Pension Fund** – To account for the accumulation of resources to be used for disability and retirement annuity payments to uniformed fire department personnel at appropriate amounts and times in the future. Resources are contributed by employees at rates fixed by laws and by the Village at amounts determined by the Department of Insurance of the State of Illinois from a specific annual property tax levy.

### Agency

**Special Assessments Fund** – An agency fund used to account for the collection of special assessments from property owners and payments of related special assessment liabilities.

**Deposits Fund** – An agency fund used to account for the collection of security from property owners and developers to assure compliance with municipal codes.

**Reimbursement Escrow Fund** – An agency fund used to account for the collection of security from prospective developers to assure payment of third party review process costs according to municipal ordinance.

**April 30, 2016**  
(Unaudited)

The Village participates in the Intergovernmental Risk Management Agency (IRMA). IRMA is an organization of municipalities and special districts in Northeastern Illinois, which have formed an association under the Illinois Intergovernmental Cooperation's Statute to pool their risk management needs. The Agency administers a mix of self-insurance and commercial insurance coverages; property/casualty and workers compensation claim administration/litigation management services; unemployment claim administration; extensive risk management/loss control consulting and training programs; and a risk information system and financial reporting service for its members.

<u>Policy</u>	<u>Coverage</u>
General Liability	\$ 10,000,000
Police Professional	
Employee Benefits	
Professional liability (Fire/Paramedic)

Special District Trustees	

**STATISTICAL SECTION  
(Unaudited)**

## STATISTICAL SECTION

This part of the Village's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the Village's overall financial health.

<b><u>Contents</u></b>	<b><u>Page</u></b>
<b>Financial Trends</b>	112-115
These schedules contain trend information to help the reader understand how the Village's financial performance and well-being have changed over time.	
<b>Revenue Capacity</b>	116-122
These schedules contain information to help the reader assess the factors affecting the Village's ability to generate its property and sales taxes.	
<b>Debt Capacity</b>	123-126
These schedules present information to help the reader assess the affordability of the Village's current levels of outstanding debt and the Village's ability to issue additional debt in the future.	
<b>Demographic and Economic Information</b>	126-129
These schedules offer demographic and economic indicators to help the reader understand the environment within which the Village's financial activities take place and to help make comparisons over time and with other governments.	
<b>Operating Information</b>	130-132
These schedules contain information about the Village's operations and resources to help the reader understand how the Village's financial information relates to the services the Village provides and the activities it performs.	
<b>Equalized Assessed Valuation</b>	133-135
These schedules contain information that reflects land parcel information for the Village.	
<b>Sources:</b>	
Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial reports for the relevant year.
